Please join us for a presentation by **Penny Vos**
(LOTE Author of "Talking to the Whole Wide World")

"Learning a Language Other Than English (LOTE) early in life, helps students develop empathy, cognition, perspective, literacy, self-confidence and capacity to learn other languages later."

Penny will provide guidelines and solutions by addressing the following areas:

- **How to most effectively provide a LOTE program in a Montessori environment.**
- **How integrating LOTE daily (not just 1 hour a week) in a Montessori classroom can be a reality.**
- **How to effectively teach LOTE in Stage 1, 2 & 3 without any previous language training.**
- **How you can have the children in your classroom talking to the "whole wide world" within a short time.**
- **How LOTE education can be effective equitable and affordable for every classroom.**
